COUNSELING AND PERSONAL ASSISTANCE SERVICES

The world is changing, but our traditions remain. We take care of our brothers. Actives today face issues and challenges we never imagined a generation ago.

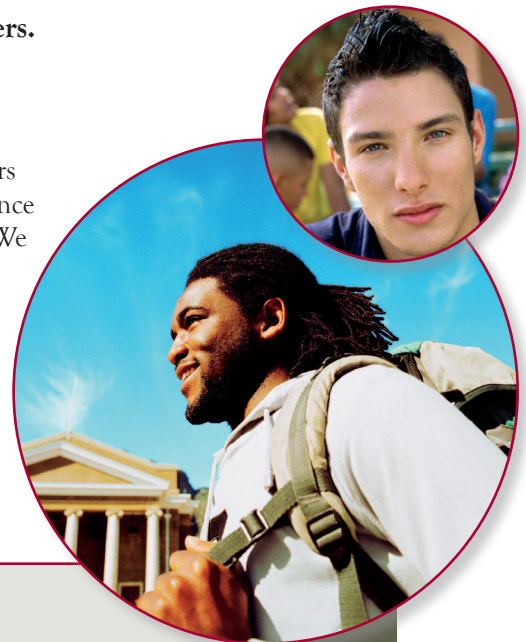

**PROTECT YOUR NATIONAL ORGANIZATION.
SUPPORT YOUR CHAPTERS.
TAKE CARE OF YOUR ACTIVES.**

We can customize our Campus Assistance Program for your fraternity...and every chapter in it. Our program helps mitigate your national organization's risk and liability. It may even help you reduce your insurance premiums!

While many college campuses offer behavioral health counseling to students, actives are often hesitant to utilize these services due to confidentiality concerns. Chapters sometimes try to handle problems themselves for the same reason. Our customized Campus Assistance Program Provides a valuable alternative – complimenting university-based programs in many ways.

A SOLUTION FOR EVERY CHAPTER

With 13,000 behavioral health counselors across the country, the Campus Assistance Program can serve all of your chapters. We connect your actives with professional counselors wherever and whenever they need one – near campus during the semester, at home during breaks and almost everywhere in between. We also provide 24-hour-a-day access to behavioral health counseling via online and telephone sessions.
